

# Department of Computer Science - Student Handbook

Greenfield University

Academic Year 2025-2026

# 1. Programs Offered

The Department of Computer Science at Greenfield University offers the following programs:

Undergraduate:

- B.Tech in Computer Science and Engineering (CSE) - 4 years, 8 semesters
- B.Tech in Computer Science and Engineering (AI & ML specialization) - 4 years, 8 semesters
- B.Tech in Information Technology (IT) - 4 years, 8 semesters

Postgraduate:

- M.Tech in Computer Science - 2 years, 4 semesters
- M.Tech in Data Science - 2 years, 4 semesters

Doctoral:

- Ph.D. in Computer Science

Total Intake: B.Tech CSE: 120 students, B.Tech AI & ML: 60 students, B.Tech IT: 60 students, M.Tech CS: 30 students, M.Tech DS: 30 students.

## 2. Semester 8 Courses (B.Tech CSE)

Students in their 8th semester (final year, spring) have the following curriculum:

Core Courses:

- CS801: Major Project / Capstone (12 credits) - Full semester project under faculty supervision. Teams of 3-4 students. Evaluation includes mid-review, final review, report, and viva.
- CS802: Advanced Topics in AI (3 credits) - Covers reinforcement learning, generative models, multi-agent systems, and LLMs. Instructor: Dr. Priya Sharma.

Elective Courses (choose 2 from):

- CS811: Cloud Computing and DevOps (3 credits) - AWS, Docker, Kubernetes, CI/CD pipelines. Instructor: Prof. Rajesh Kumar.
- CS812: Cybersecurity Fundamentals (3 credits) - Network security, cryptography, ethical hacking. Instructor: Dr. Anil Mehta.
- CS813: Natural Language Processing (3 credits) - Text processing, transformers, BERT, GPT. Instructor: Dr. Priya Sharma.
- CS814: Blockchain Technology (3 credits) - Distributed ledger, smart contracts, DApps. Instructor: Prof. Sanjay Gupta.

Open Elective (choose 1 from):

- OE801: Entrepreneurship and Innovation (3 credits)
- OE802: Environmental Science (3 credits)
- OE803: Professional Ethics (3 credits)

Total Credits for Semester 8: 24 credits (12 project + 6 core/elective + 3 elective + 3 open elective)

### 3. Lab and Computing Resources

The CS Department has the following labs:

Lab 1 - General Computing Lab (Room 301):

- 60 workstations with Intel i7, 16 GB RAM, Ubuntu 22.04
- Available: Mon-Fri 9:00 AM to 6:00 PM, Sat 9:00 AM to 1:00 PM
- Software: Python, Java, C/C++, VS Code, IntelliJ, Eclipse, MySQL, PostgreSQL

Lab 2 - AI and ML Lab (Room 302):

- 30 workstations with NVIDIA RTX 3060 GPUs, 32 GB RAM
- Available: Mon-Fri 9:00 AM to 8:00 PM
- Software: TensorFlow, PyTorch, CUDA, Jupyter Notebook, Anaconda
- GPU servers (2x) available for training jobs. Book via the department portal.

Lab 3 - Networking Lab (Room 305):

- 20 workstations with Cisco Packet Tracer, Wireshark, VirtualBox
- Available: Mon-Fri 9:00 AM to 5:00 PM

Lab 4 - Project Lab (Room 310):

- 40 seats available for final year project students
- Available 24/7 with university ID card access
- Students must register their project group with the lab in-charge

Internet: All labs have 100 Mbps internet. External access to cloud platforms (AWS, GCP, Azure) is available through the department's academic accounts.

Printing: Lab printing is available at Rs. 2 per page. Submit print jobs to the lab assistant with your student ID.

## 4. Faculty and Office Hours

Department Head: Prof. Vikram Singh

Office: Room 401, CS Block

Email: vikram.singh@greenfield.edu

Office Hours: Monday and Wednesday, 2:00 PM to 4:00 PM

Faculty Members:

Dr. Priya Sharma - Associate Professor

Specialization: Artificial Intelligence, NLP

Office: Room 403

Email: priya.sharma@greenfield.edu

Office Hours: Tuesday and Thursday, 10:00 AM to 12:00 PM

Prof. Rajesh Kumar - Assistant Professor

Specialization: Cloud Computing, Distributed Systems

Office: Room 405

Email: rajesh.kumar@greenfield.edu

Office Hours: Monday and Friday, 11:00 AM to 1:00 PM

Dr. Anil Mehta - Associate Professor

Specialization: Cybersecurity, Cryptography

Office: Room 407

Email: anil.mehta@greenfield.edu

Office Hours: Wednesday and Friday, 3:00 PM to 5:00 PM

Prof. Sanjay Gupta - Assistant Professor

Specialization: Blockchain, Web3

Office: Room 409

Email: sanjay.gupta@greenfield.edu

Office Hours: Tuesday and Thursday, 2:00 PM to 4:00 PM

Dr. Meena Iyer - Professor

Specialization: Data Science, Statistics

Office: Room 411

Email: meena.iyer@greenfield.edu

Office Hours: Monday and Wednesday, 10:00 AM to 12:00 PM

Department Office: Room 400, CS Block

Office Timings: Monday to Friday, 9:30 AM to 5:00 PM, Saturday 9:30 AM to 1:00 PM

Phone: +91-80-1234-5678

Email: [cs.office@greenfield.edu](mailto:cs.office@greenfield.edu)

## 5. Project and Internship Guidelines

Major Project (CS801):

- Teams of 3-4 students. Individual projects not permitted.
- Each team is assigned a faculty guide.
- Project domains: AI/ML, Web Development, IoT, Cybersecurity, Blockchain, Cloud Computing, or any approved area.
- Timeline:
  - \* Week 1-2: Topic finalization and proposal submission
  - \* Week 3-4: Literature survey and design
  - \* Week 5-8: Implementation Phase 1
  - \* Week 9: Mid-review presentation (20% weightage)
  - \* Week 10-13: Implementation Phase 2 and testing
  - \* Week 14: Final review presentation (30% weightage)
  - \* Week 15: Report submission (30% weightage) and Viva (20% weightage)

Project Report Format:

- Must follow the university report template (available on the CS department portal)
- Minimum 40 pages, Maximum 80 pages (excluding appendices)
- Must include: Abstract, Introduction, Literature Survey, System Design, Implementation, Testing, Results, Conclusion, References
- References must use IEEE citation format
- Plagiarism must be below 25% (Turnitin check mandatory)

Internship: Students completing summer internships (minimum 6 weeks) can earn 2 additional credits. Internship completion certificate and report must be submitted to the department office within 2 weeks of the semester start.
